About LIVND

Sigma India is part of the SIGMA Group - one of the most reputed business groups in India with a positive legacy with more than 3 decades of rich business experience. The group operates in varied fields including real estate, electronics, emergency lighting equipment, home appliances and Investment funds through its brands which includes Sigma, 24 Energy, Keya Homes, Sankalp India and B2R Advisors.

AGM VRLA BATTERIES

Advanced Energy Solutions

Atomix batteries maintain consistent voltage by combining the power of lead and tin to form a class leading alloy ensuring durability, safety and excellence. Moreover, Atomix Batteries outperform other batteries with higher power, specially at higher discharge rates demanded by modern utility.

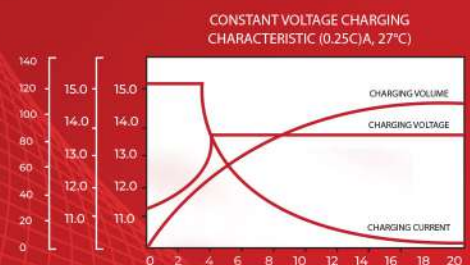

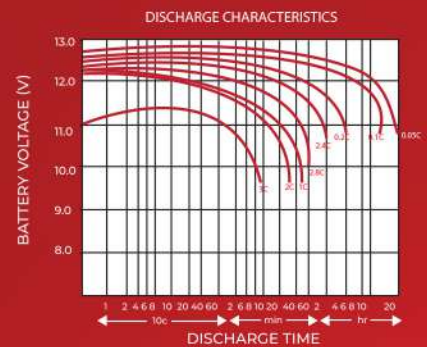

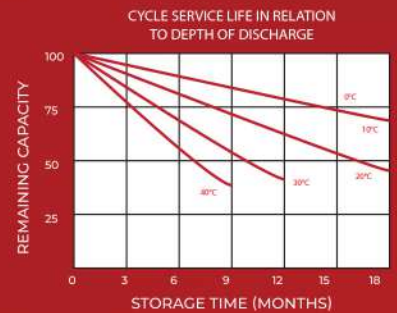

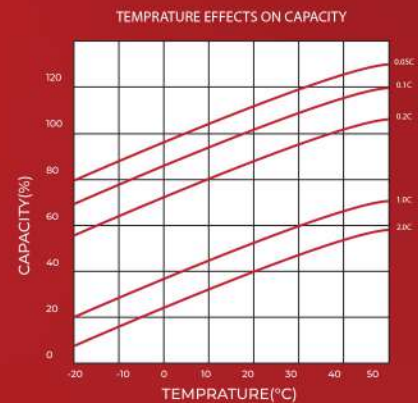

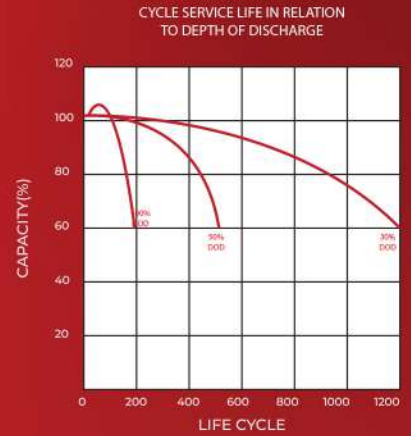

Truly making it the
Sealed Maintenance Free Battery.

SINCE 1989

LIVND

Data Sheet

SL. NO	Product Code	Nominal Voltage	Capacity in Ah @ C20	Battery External Dimensions in mm (Tol +/- 5)			Wet Weight Kg. (+/-5%)
				Length	Width	Height	
1	SIS 12 - 26	12	26	166	175	125	9
2	SIS 12 - 42	12	42	197	165	170	14
3	SIS 12 - 65	12	65	350	166	175	22
4	SIS 12 - 100	12	100	330	173	238	30
5	SIS 12 - 120	12	120	405	173	235	36
6	SIS 12 - 150	12	150	485	172	223	45
7	SIS 12 - 200	12	200	522	240	245	65

Feature Highlight

Maintenance-free operation

ABS container and cover

Non-spillable sealed construction

Low self discharge

Absorptive glass mat separators

Suitable for both float & cyclic duty

Wide operating temperature range

High charging efficiency

Applications

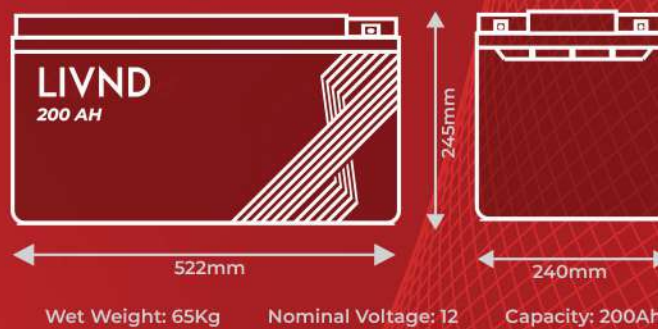

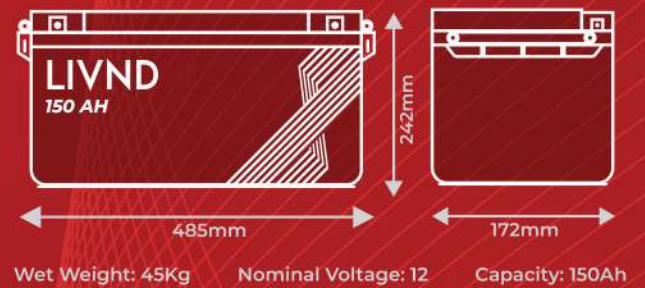

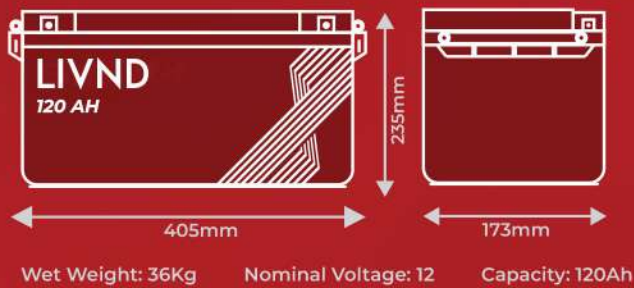

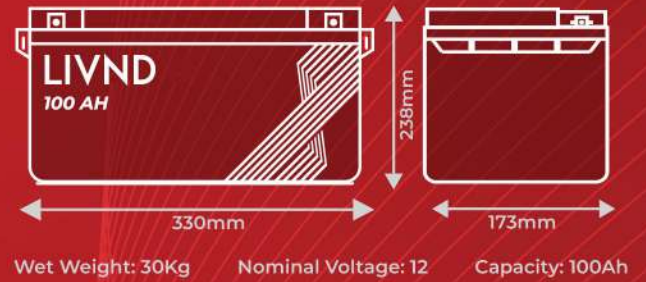

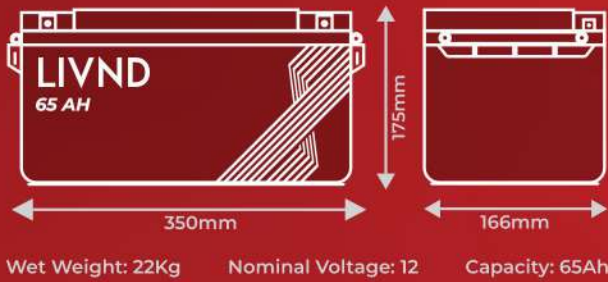

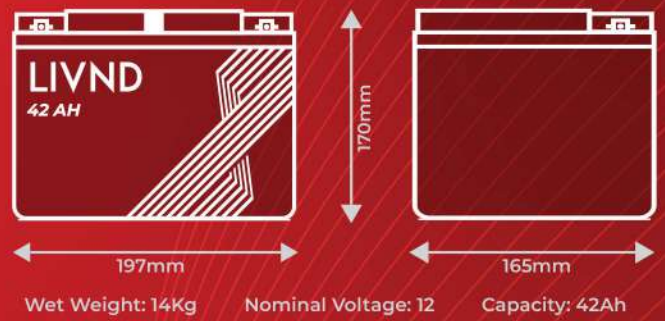

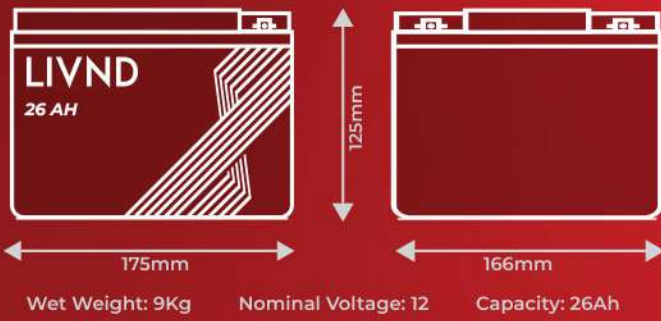

An ISO Certified Concern

Battery Generally Conform to JIS C8702 : 2009
